

New York Youth Symphony

Orchestra Auditions | 2024-2025

Dear Orchestra Applicant,

Thank you for applying to join the New York Youth Symphony for our 2024-2025 season! We have many exciting plans for the orchestra and are looking forward to meeting you and hearing you play.

Your audition will consist of both solo repertoire and orchestral excerpts, which are selected mostly from the upcoming season's repertoire; in a few cases, I have included other excerpts to help you showcase your playing in a variety of styles.

This year, string players will have a prescreening stage, which will include solo repertoire as well as orchestral excerpts. Excerpts for the pre-screening stage are denoted so on the list. We may ask you to play those excerpts again at the live audition.

You can expect the following at your live audition:

1. Begin with an orchestral excerpt of your choice from the list.
2. We will then choose other excerpts we would like to hear. We may not get to hear all the excerpts, but you are expected to prepare all of them.
3. Solo Repertoire: Please prepare at least three minutes of your solo repertoire. You do not necessarily have to start at the beginning; pick a portion (or multiple portions) that represents you the best as a musician and also helps to demonstrate a variety of different styles.
4. If you are applying for a principal or assistant principal position or auxiliary instruments with specific orchestral solo excerpts, you will play them in addition to the main excerpts. Please note not all instruments have principal excerpts.

For the orchestral excerpts, we are interested in witnessing your skills as an engaged member of an ensemble. In my opinion, the best excerpts playing is one that can demonstrate your awareness of the totality of the orchestral sound and not just your part. Therefore, I picked at least one excerpt that requires such awareness. I am also only providing tempo markings and not metronome markings (unless given by the composer).

So, please keep the following elements in mind as you prepare: appropriate style for each composer, awareness of what is going on in the rest of the orchestra and your role in it, and careful observation of all indications on the part. You should utilize scores and recordings (many, not just one) as your resources. Almost all scores and parts are available on [imsip.org](https://www.imsip.org) for free. The Prokofiev score is available on New York Philharmonic Archives online for perusal.

Thank you for all the hard work you will put into your preparation, and please let us know if you have any questions. We are immensely looking forward to hearing your music!

The image shows a page of musical notation for the Tromba I part of Prokofiev's Symphony No. 5, Movement IV. The page is numbered 14 in the top left corner. The title at the top center reads "Prokofiev, Symphony No. 5, Mov't IV, Allegro giocoso" followed by "Tromba I in B". The score consists of seven staves of music. The first staff begins with a treble clef, a key signature of one sharp (F#), and a 2/4 time signature. It contains a melodic line with dynamics markings *p* and *f*. The second staff starts with a box containing the number "111" and the instruction "senza sord." (without mutes). The third, fourth, and fifth staves feature complex rhythmic patterns with sixteenth and thirty-second notes, often beamed together, and include dynamic markings *ff* and *mf*. The sixth staff contains a box with the number "112" and continues the melodic and rhythmic development. The seventh staff concludes the page with further rhythmic notation and dynamics. The notation includes various articulations such as accents and slurs, and dynamic markings like *p*, *f*, *ff*, and *mf*.
